A message from our board Chair

On behalf of the Board of Directors, it is my honor to present the Figgers Foundation’s Annual Impact Report. This year’s report reflects not only what we have accomplished, but who we are at our core — an organization deeply committed to empowering everyday people with tools, access, and opportunities that can transform their lives.

At the Figgers Foundation, we believe that meaningful change does not always come from grand gestures, but from consistent, thoughtful investments in communities that are often overlooked. Whether through expanding digital access, supporting families in need, or creating pathways to education and innovation, our work is guided by a simple but powerful principle: when people are equipped with the right resources, they can thrive.

None of this would be possible without the dedication of our staff, the vision of our leadership, the generosity of our partners, and the trust of the communities we serve. Together, we are building bridges,

closing gaps, and proving that philanthropy can be both compassionate and practical. As you review this report, we invite you to celebrate not just the numbers, but the stories behind them: the families helped, the students empowered, and the lives touched. Our impact is measured not only in the programs we deliver, but in the possibilities we create.

We remain steadfast in our commitment to serve, innovate, and uplift. The work continues, and with your support, so does our impact.

With gratitude and purpose,

A handwritten signature in black ink that reads "Freddie Figgers".

Freddie Figgers
Board Chair, Figgers Foundation

AREAS SERVED

Serving Communities Across Florida

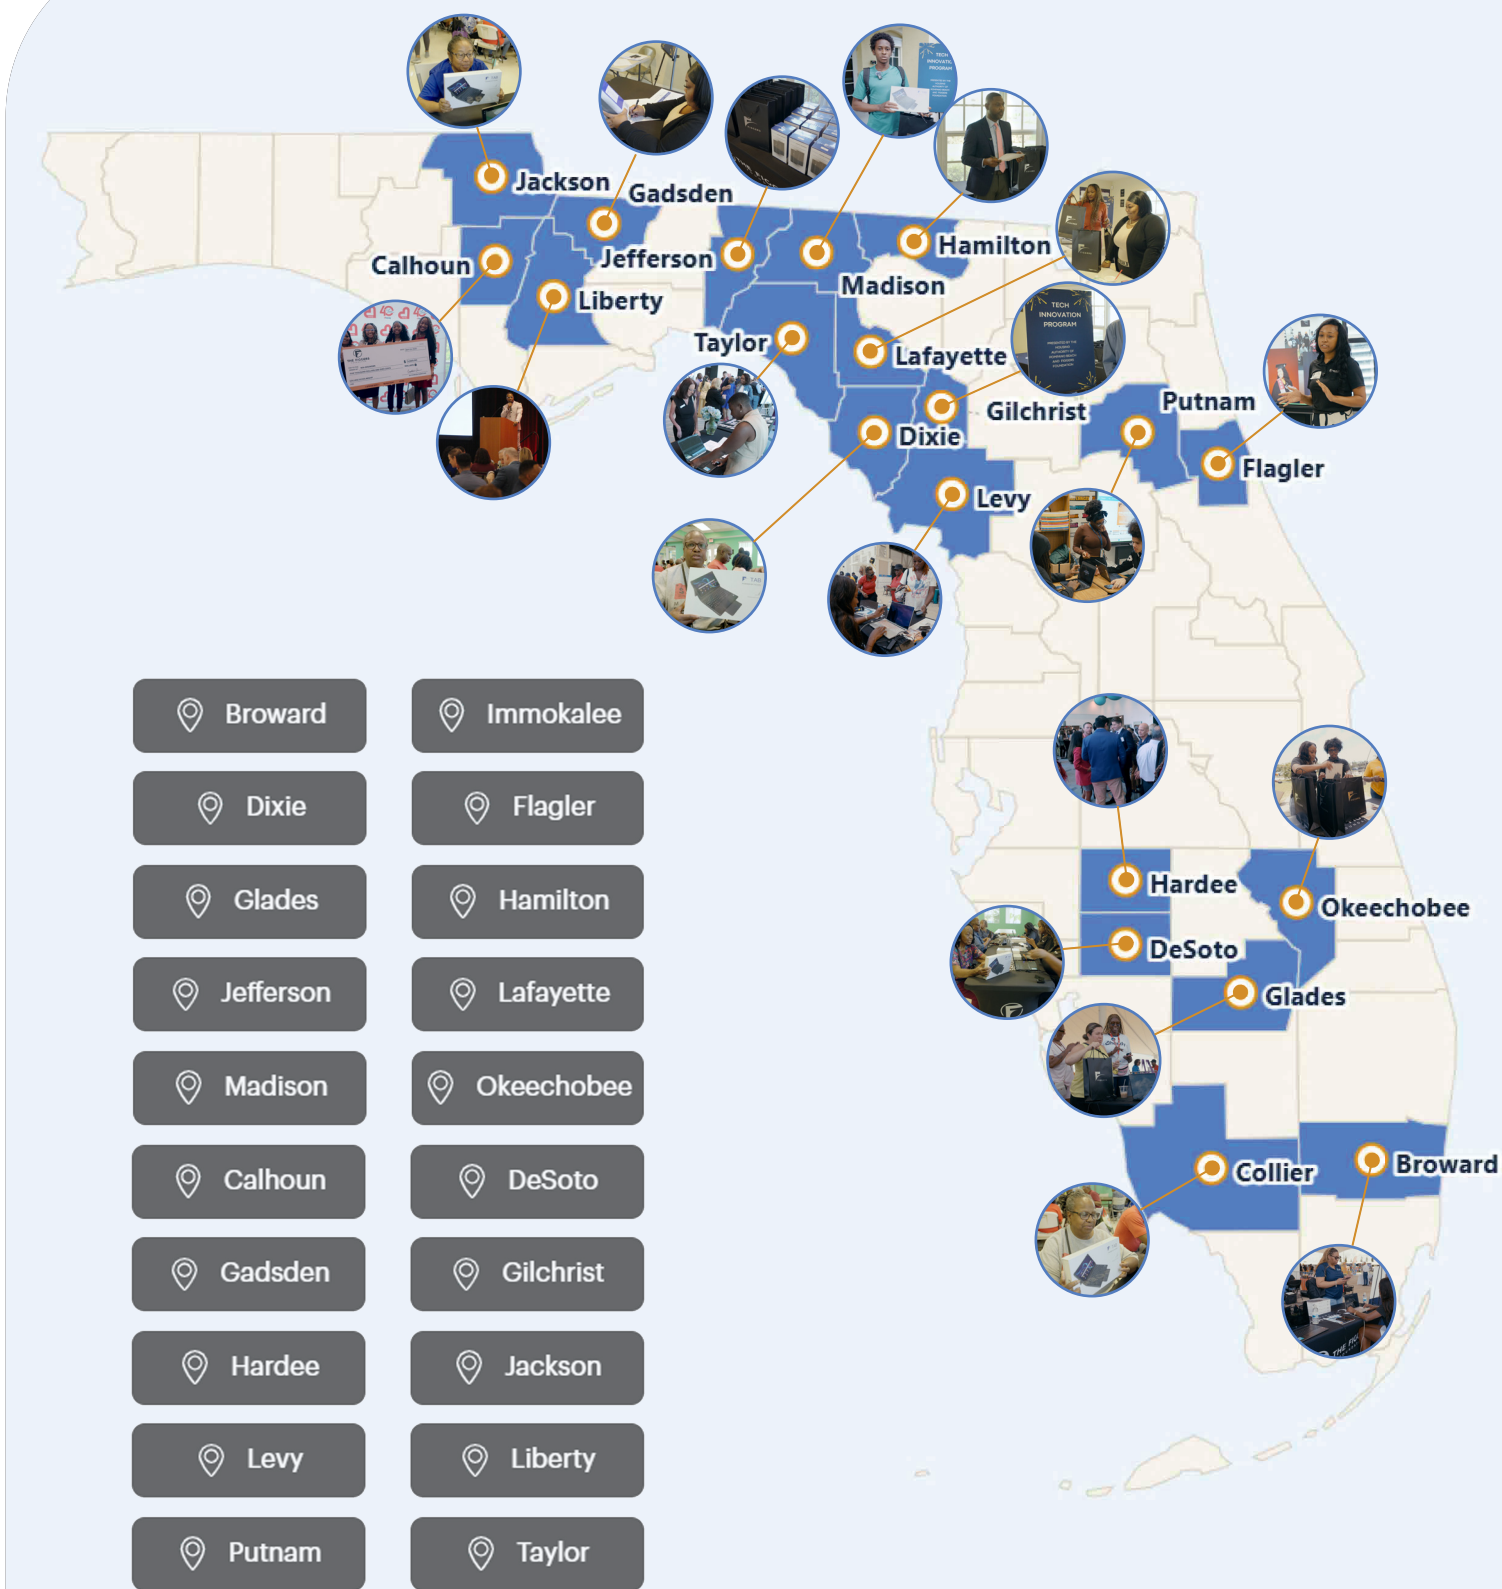

From the Panhandle to the Florida Keys, we are proud to serve diverse communities across the state of Florida. Our work focuses on reaching people where they are—whether in urban centers, rural towns, or coastal regions—ensuring access to resources, support, and opportunities that empower individuals and families to thrive.

Our Reach, Our Commitment

We serve communities throughout Florida with a commitment to equity, access, and impact. No matter the location, our mission remains the same: to uplift everyday people by delivering meaningful support and creating pathways for long-term success.

Where We Make an Impact

Our presence spans across Florida, connecting with communities of all sizes and backgrounds. Through targeted programs and partnerships, we work to bridge gaps, strengthen neighborhoods, and create lasting change where it matters most.

OUR WORK

The Figgers Foundation is dedicated to improving lives by meeting people where they are and addressing the needs that matter most. Our work is rooted in service, equity, and opportunity, with a focus on creating meaningful and lasting impact in the communities we serve. Through partnerships, innovation, and community engagement, we strive to expand access to resources that empower individuals and families. We remain committed to uplifting everyday people and strengthening communities for today and for generations to come.

“ **Supporting our community**

Partnerships like this are the heartbeat of community transformation," said Warren Cave, Executive Director of The Clean Start Initiative, Tallahassee FL. "The Figgers Foundation's generosity ensures that we can continue to restore hope, provide essential services, and create opportunities for those in need.

SUPPORTING OUR SENIORS

: Our seniors are the foundation of our communities, having spent their lives working, building, and caring for others. Through our various programs, we are committed to ensuring they have access to resources, connections, and support that enhance their quality of life. They took care of us when we were younger, and now it is our privilege and responsibility to take care of them. We strive to honor their contributions by meeting their needs with dignity, respect, and compassion.

“Supporting our seniors

Mr. King, Belle Glade – The Figgers Foundation visited seniors in Belle Glade. They shared their heartfelt thanks for our visit, touched by the time we spent with them and grateful for the tablets that will help them stay connected.

“Supporting our children

Mr. Davis, West Palm Beach – thanked us for being part of his Health Expo, saying the community felt seen and supported. We distributed tablets to seniors and children with IEP in the downtown area of West Palm Beach.

SUPPORTING OUR CHILDREN

We believe that children are our future and that investing in them is investing in the strength of our communities. Through education, access, and opportunity, we work to empower young people to reach their full potential. Our programs are designed to inspire confidence, creativity, and leadership in the next generation. By supporting our youth today, we are helping to shape a brighter, more equitable tomorrow.

HIDDEN FIGGERS SCHOLARS

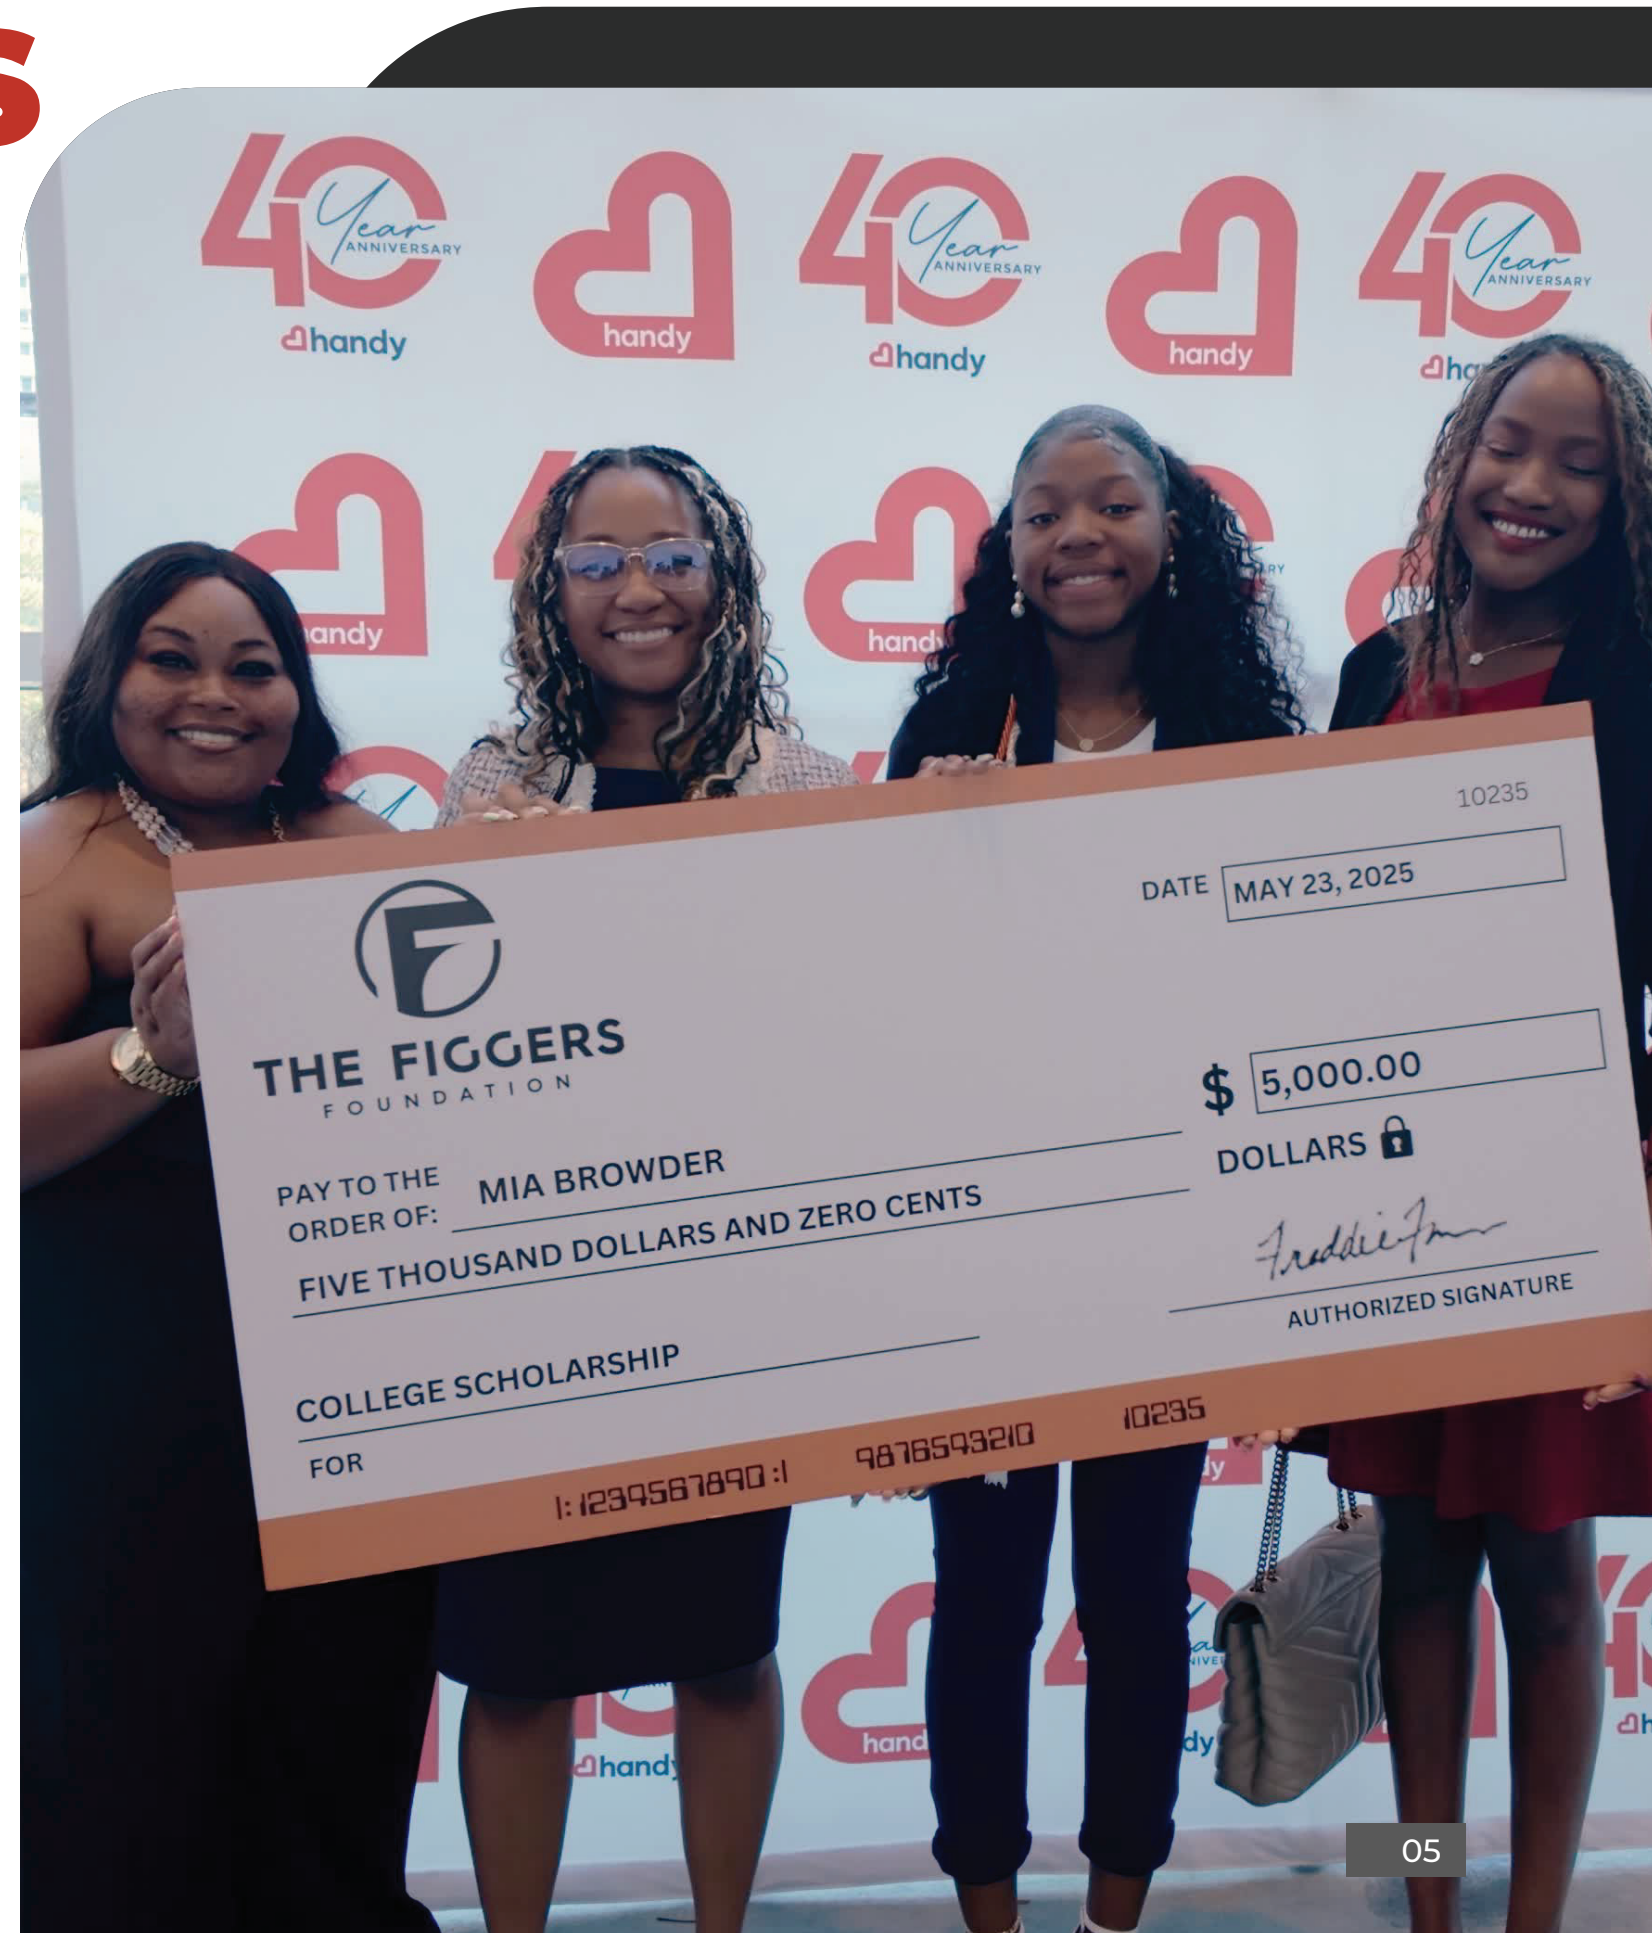

The Hidden Figgers Scholars program reflects our commitment to identifying and uplifting promising young people who may otherwise go overlooked. Through mentorship, resources, and access to opportunities, we support scholars in their academic and personal growth. We strive to remove barriers, expand horizons, and help each scholar build confidence in their potential.

Empowering the Next Generation through Technology

In partnership with the Housing Authority of Pompano Beach, we launched an AI and digital literacy prompting program designed to equip young adults with essential technology skills. This program provided hands-on learning, exposure to emerging technologies, and practical tools for education and career readiness. We sought to bridge the digital divide and prepare our young adults for an increasingly technology-driven world.

“Hidden Figgers Scholars

Ms. Brower Ft. Lauderdale - Thank you to the Figgers Foundation for my scholarship to go to Bethune-Cookman U/university where I be majoring in elementary education.

“

Supporting Schools and Empowering Futures

Ms. Pontillo, Coral Springs - we really do want to thank the FF for all their support and making this event very possible.

Coral Springs High School Summer Program

We sponsored the Coral Springs High School Destined for Greatness Summer Program, designed to help students make up credits and stay on track for graduation. The program also supported students in improving their GPA and strengthening their academic foundation for future success.

Coral Springs High School Wellness Wednesday

Wellness Wednesday was a holistic program designed to support students' mental, emotional, and academic well-being. The Figgers Foundation engaged students in discussions about college pathways and alternative post-secondary options.

“

Empowering the Next Generation through Technology

This program represents more than learning technology—it represents building confidence and creating pathways,” said Lennard Robinson, Executive Director of the Housing Authority of Pompano Beach. “We are committed to strengthening our community by equipping residents with life skills that open doors to opportunity. We’re proud of each of these graduates and grateful for the partnership that made this program possible.

Broward Estates Early Learning and Resource Center

We recognize that teachers are the heart of our communities, and we sponsored lunch for the educators at Broward Estates as they prepared for the new school year.

Boyd Anderson Basketball Team

The Figgers Foundation proudly sponsored the Boyd Anderson High School basketball team to support youth athletics, teamwork, and discipline.

Coconut Creek High School

We sponsored transportation for Coconut Creek High School's field trip, ensuring students could participate in an enriching off-campus learning experience.

Coral Park Elementary Awards Ceremony

We donated tablets to students in recognition of their achievements and academic excellence. In celebration of their accomplishments, we also provided a snow cone machine to create a joyful and memorable awards experience.

Strengthening Communities and Creating Opportunities

HEM Alliance

We sponsored HEM Alliance in support of its mission to empower at-risk youth in Central Florida by providing holistic access to housing, education, employment, and mental health services. Through this partnership, we helped strengthen programs that support young people navigating foster care, homelessness, or the juvenile justice system, giving them the tools they need to build stability and thrive.

Clean Start Initiative

We supported Clean Start Initiative in its efforts to promote restoration, dignity, and second chances for individuals seeking to rebuild their lives. Our sponsorship contributed to programs that remove barriers, provide resources, and create pathways toward stability and opportunity.

Hosting Christmas with Inmates

We participated in Hosting Christmas with Inmates to bring compassion, connection, and a sense of humanity to incarcerated individuals. This initiative reflects our belief in grace, redemption, and the importance of maintaining family and community ties during the holiday season.

LOOKING FORWARD

Figgers Center

The Figgers Foundation is preparing for the grand opening of the Figgers Center in Spring 2026, which will serve as a central hub for community, innovation, and opportunity. The Center will bring together programs, partnerships, and resources designed to uplift everyday people in meaningful and lasting ways. We look forward to welcoming the South Florida community into a space that reflects our mission, values, and commitment to service.

Florida Connect

Through Florida Connect, we will continue expanding access to technology devices throughout the state of Florida. This initiative is focused on bridging the digital divide by ensuring families, students, and seniors have the tools needed to participate in an increasingly digital world. We remain committed to increasing connectivity, access, and digital equity for communities from the Panhandle to the Keys.

Florida Families

With our Florida Families initiative, we are committed to supporting at least one Florida family each day. This program reflects our belief that small, consistent acts of support can create meaningful change in people's lives. As we move forward, we will continue to identify needs, respond with compassion, and stand with Florida families in times of challenge and opportunity.
